Dear Ms. Russell,
AS always thank you for your rapid reply.

Does president Gibbons have a statement about the change in releasing the numbers because we are reporting this story tonight at 9PM.

We'd like to know why change the reporting from monthly to quarterly?

Doesn't a quarterly reporting not give an accurate month to month picture of the crime issue as it is happening in Memphis and Shelby County?

Was this change approved by the entire Memphis Shelby Crime Commission and when did the commission members vote on this issue?

Again my story airs tonight.

Regards,
Greg Coy

Hello Greg,

Moving forward we will be sending out crime stats quarterly. As soon as we get the 2nd Quarter 2017 crime stats at the end of June, we will send them out around the middle of July. Exactly when they will go out will of course depend on when we get them.

We do plan to send out a media release by the end of this week with some crime data and information, just not the same as we've done in the past. Again, that data will be released quarterly.

Regards,

Linda
